The Nation's Birthday and the Victrola

Do you want your children to love their country?
Patriotism is a feeling. It cannot be taught—it
must be inspired. The spirit of patriotism is most
stirring expressed in music, and every American
home should enjoy some of the "love-of-country"
music on the Fourth.

This nation is rich in a variety of such music,
from patriotic ragtime and dance numbers like
"America, I Love You," to the martial fire of Sousa's
marches, and the sonorous grandeur of "America."

The Victrola brings the best and most appealing
of all these types right into your home, and several
selections are listed here:

	Number	Price
America, I Love You	American Quartet	17902 10 \$.75
You'll Be There	Peerless Quartet	
Washington Post March	Sousa's Band	17302 10 .75
El Capitan March	Sousa's Band	
Star Spangled Banner	Victor Military Band	17561 10 .75
Mail Columbia	Victor Military Band	

We have a complete list of patriotic records for you. Come in and hear
them—then choose yours.
If you haven't a Victor or Victrola, we have them, from \$10 to \$300, and
we'll make it easy for you to get one for the Fourth.
